

# 2021 Ensemble Festival Guidelines

The 2021 Ensemble Festival will be a YouTube event.

Students will need to video their performances and submit them by December 16<sup>th</sup> to Angela Rumball at [angela.rumball@gmail.com](mailto:angela.rumball@gmail.com).

Each video needs be submitted with the following information:

The name of the piece and composer

The length of the performance

The names of each performer and which part they are playing

An instructional video will be available to help students and teachers with recording your submission and various options for duet/duo partners.

Please instruct your students to enter the bench on the end of the piano that they are playing –

Secondo players enter from the left side

Primo players enter from the right side

One student should count a full measure before the performance begins so that everyone starts together.

After the performance, students should bow together facing the camera.

The Ensemble Festival will be posted to our RPTA YouTube channel during the weekend of February 6-7, 2021.
